● CHALLENGE 1.3: The English Colonies: 1607-1700	+	○ 6/6
📖 PRACTICE MILESTONE 1		
📖 MILESTONE 1		17/19

ABOUT THIS UNIT

You will recognize the events, people, motivations, and conflicts involved in the settling of the Americas by

- Defining the practice of history and the ways in which historians use written and oral sources to research and interpret the past.
- Describing the causes of European exploration and colonization in the New World and the impact of these activities on the people of Europe, Africa, and the Americas.

- Comparing and contrasting the political, economic, religious, and social structure of the northern, southern, and middle colonies in British North America.
